Structure: intro, chorus, verse one, verse two, bridge, solo, breakdown, chorus, outro.

Intro:

Hidden love battles in a chaotic reservoir.
Cat-like eyes an eerie feeling standing over me.
Dada’s French word for hobbyhorse so hardcore.
Night terrors play away from a bumblebee.

Chorus:

Fiddle-faddle and a paddle.
Howling memories.
Fiddle-faddle and a paddle.
Infantile sexuality.

Nick nack paddywhack.
Kitty kitty kitty cat.
Nick nack paddywhack.
Wolf pack.

Verse One:

Shuaijan a flick’ring lamp a phantom and a dream.
Seduced serial killers its fairy tales.
Cleopatra’s its hot-bodied screams.
Jack the ripper’s its uncouth males.

Verse Two:

A beckoning cat’s out there.
Lips and tongue probed with glowing lights.
Footprints or a furry alien stare?
Liar’s paradox paralyzes nights.

Bridge:

Awake in a nightmare.

On my chest and without a sun-beam.
Face to face and crawling from where?
Shuaijan a flick’ring lamp a phantom and a dream.

Solo:

Lead guitar 25 seconds here.

Breakdown:

Every man is liar.
Telling you that is true.
Go to hell we’re on fire.
Though others of a darker hue?

Chorus:

Fiddle-faddle and a paddle.
Howling memories.
Fiddle-faddle and a paddle.
Infantile sexuality.

Nick nack paddywhack.
Kitty kitty kitty cat.
Nick nack paddywhack.
Wolf pack.

Outro:

Driven of sheer necessity.
Selective breeding its turpitude.
Infantile sexuality.
False lies did intrude.
