**TEASER**

**EXT./ESTAB. SHOU GAKKOU OTAKU IRU - DAY**

Elementary School: **RAIDOM** is the bad-ass number one. **TARO's** a comando at entrance.

YU (O.S.)

Friend or enemy?

MAI (O.S.)

Transgovernmental components.

**INT. ELEMENTARY CLASSROOM - DAY**

**YU's** you're dream teacher - stupidly clever.

YU

Unity has to be a grunt bar.

**YU's POV** - **MAI** is dressed in mismatched socks, shoes and a plaid mini.

MAI

Crotch-less panties too.

**ABI's** in as maintenance man with mop clutched upside down to deal with a metal bucket near door.

YU

It's a symbol of cold politics.

ABI

Get me some of that hot economy.

Mai giggles and raises her knee to hold herself as if she might burst a pee.

MAI

I just Googled Hong Kong for some performance enhancement drugs.

ABI

Ah ha, international attention.

YU

I drew us as a case study for Japanese-Chinese relationships.

ABI

With Mai's?... Ooh, that's very sensitive material.

YU

800 million users!

ABI

All denied hard-core manga and anime?

**LI LI** has it all: ass, tits and long legs in her business suit. She in struts up to Yu.

LI LI

Takes us into liberalism to reluctant realism.

YU

Comparative politics.

**MARC** comes in at the doorway with his arms folded. He's also an administrative type - buffed stud.

MARC

Google's not mapping up skirts in Japan.

YU

Which Island was on her panties?

Yu points to the sketch of **Shou Gakkou Otaku Iru** on an **easel**.

MARC

Another highly sophisticated attack?

YU

I'm sure Mai would let Abi access any information she might have.

ABI

Only if I can give her pussy a Chinese name.

HANNYA (O.C.)  
(demonic woman's voice)

Role playing and fantasy time!

Yu, Mai, Li Li, and Marc whirl to see **HANNYA**. Abi is only a few feet away from the seething and ugly demonic woman.

HANNYA (CONT'D)

Hi Abi. I'm so bilateral for you.

The hideous HANNYA starts to lift her skirt. Abi gets terrified and tries to back. HANNYA lurks in closer raising her skirt even higher to reveal herself to the terrified Abi.

YU (V.O.)

We are caught in a perpetual virtual existence of an Alien Ninja Gameplay. I must engage an Akuma as a graphic arts and animation teacher in Osaka Japan.

**END OF TEASER**

ACT ONE

**INT. SHOU GAKKOU OTAKU IRU - HALLWAY - DAY**

**BAD GIRL** and **BAD GIRL FRIEND**, Japanese Harajuku lolis, they are overdone with accessories. They come to the door which reads "School Bosses."

**INT. SHOU GAKKOU OTAKU IRU - OFFICE - DAY**

Li li flings the door open.

LI LI

Many layers of the complex Japanese.

Bad Girl and Bad Girl friend start up with the para para.

BAD GIRL AND BAD GIRL FRIEND  
(singing)

Bad girl, Bad girl friend. We do it  
again and again. Bad girl Bad girl  
friend. So bad so bad again!

Marc comes to the door way, arms folded.

MARC

Can we could get an exclusive on  
distribution?

**INT. HALLWAY - DAY**

Taro's escorting Japanese **BAD BOY** and **BAD BOY FRIEND** - motorcycle gangsters. Raidom comes up opposite and all stop before the office.

RAIDOM

Dai-ten Ho.

BAD BOY

Ah? We are not same-Sex domestic  
partners.

Bad Boy gives Bad Girl and Bad Girl Friend some check it out.

BAD BOY FRIEND

These karaoke girls with knee pads can  
only suggest there's an assistance  
program.

Bad Girl and Bad Girl Friend start the para para again and  
Bad Boy and Bad Boy Friend start making some moves.

BAD GIRL AND BAD GIRL FRIEND  
(singing)

Bad girl, Bad girl friend. We do it  
again and again. Bad girl Bad girl  
friend. So bad so bad again!

**ANGLE - ABI.**

He's bustin' some moves too. Mop in hand and bucket nearby.

YU (O.C.)

Do you intend to gratify or arouse the  
sexual desire of any person?

**YU**

Up the hall near an open doorway, there's a glow that  
irradiates from its inside. Bad Girl and Bad Girl Friend  
start toward Yu with Abi midway.

BAD GIRL

There'll be fisting with the Japanese  
Ultranationalists I hope  
They pass Abi with mop and bucket.

ABI  
(Bill Clinton Voice)

I cracked. I just cracked.

Yu marches up.

YU

Dai-ten Ho is a distribution law in  
Japan.

Mai comes out of the classroom and is behind Yu.

MAI

Lets hear it for equal toilets!

Yu whirls to Mai.

YU

The whalers are not here yet.

Marc comes up.

MARC

Straight for the masochism?

YU

This can be a joint venture.

Bad Boy and Bad Boy Friend are closing in.

BAD BOY

That's Chinese manufacturing.

BAD BOY FRIEND

Them whalers be wholesalers.

Taro comes in front of them and ties the rising sun around  
his head.

TARO

Anything from two to ten years old?

YU

Protects the insiders.

Taro's flabbergasted and corrects himself.

TARO

We will not be mean to our Chinese  
customers.

Li Li comes up.

LI LI

We can think of China as a large  
retail store.

Marc's right there now.

MARC  
(perplexed)

Whale meat at the Diaoyu Islands?

Yu points to the interior of the classroom.

YU

We will study foreign relations.

Bad Girl and Bad Girl Friend, Bad Boy and Bad Boy Friend, Li  
Li, Marc, Abi and Mai go inside. Raidom comes across Yu at  
doorway.

RAIDOM

Will there be bedroom romps between  
us?

YU

Adultery of the heart is no where near  
your radar is it?

RAIDOM

Sarah Palin is married.

YU

Isn't human trafficking and sexual  
exploitation your class?

RAIDOM

That's in the a red-light district.

YU

The Japanese Ministry of Health, Labor  
and Welfare has labeled you sexless.

RAIDOM

The Chinese got a few in too.

YU

Your sexual behavior systems have been  
well-studied.

Yu's abrupt and into the classroom. Hannya appears behind  
Raidom to whisper in his ear.

HANNYA

Pussy is mightier than the sword.

**INT. SHOU GAKKOU OTAKU IRU - CLASSROOM - DAY**

Yu's at head of class. Li Li and Mark are at one side. Abi  
stands readied with a mop and bucket at back of classroom.  
Mai is filing her toe nails and Taro is practicing with a  
samurai sword.

Bad Girl and Bad Girl Friend and Bad Boy and Bad Boy Friend  
are throwing spit wads, sharing mobile tech, playing with  
their gum and sucking lollipops.

RAIDOM (O.S.)

She fumes me now.

Yu starts class.

YU

Raidom is an epitome of high-risk  
sexual behavior.

Raidom comes in.

RAIDOM

She's not boiling water and saving her  
bags in this class is she?

YU

Take-out food for you!

RAIDOM

The Hannya has blessed me with  
something much greater than what I had  
before.

They're about their para para again. Bad Boy and Bad Boy  
Friend are up making moves and Taro's swiping his samurai  
sword but missing his targets.

BAD GIRL AND BAD GIRL FRIEND  
(singing)

Bad girl, Bad girl friend. We do it  
again and again. Bad girl Bad girl  
friend. So bad so bad again!

Hannya appears at front of room - hideous. Everything comes  
to a standstill.

HANNYA

It's a bitter fight on the Senkaku  
Islands with no sex slaves nor comfort  
women.

Yu moves to the easel and flips the page over to show a  
sketch of a western toilet.

YU

This is where the Japanese go to use  
Paypal to accept Korean bribes.

Hannya flings her wrist and the easel board flips several  
pages to leave a very hot picture of Mai in a bikini on it.

ABI (O.C.)

Nope. She said crotchless.

Mai's up to check it out.

YU

(to Abi)

Strive to overcome this unfortunate situation.

ABI

But she's much older than two and definitely not ten!

YU

Development's natural with that Japanese ass for some gas.

ABI

Too much is no less than Mai in her crotch-less panties.

YU

That angling in your boxers is an unnecessary provocation.

ABI

It's- It's Chinese whale meat!

**END OF ACT ONE**

**ACT TWO**

**EXT./ESTAB. SHOU GAKKOU OTAKU IRU - DAY**

Elementary School.

**INT. CLASSROOM - DAY**

Yu's at head of class.

ABI

I could claim I didn't know.

BAD BOY

That the guy behind you was Korean?

Marc shakes his head at Li Li.

MARC

Not about size limits between species.

LI LI

More of a territorial spat.

Raidom finds that interesting.

RAIDOM

Undesirable info can be altered.

Hannya comes closer to Raidom.

HANNYA

Chinese Politics are of words for  
which none can speak.

Yu points at the pic of Mai.

YU

China calls them the Diaoyu Islands  
and Japan calls them the Senkaku  
Islands.

Abi dissents and shakes his head.

ABI

I will not refrain from profanity,  
obscenity, spam, name-calling or from  
the attacking others for their views.

YU

Contentious to accept donations from  
foreigners.

Abi shrugs.

ABI

Who needs eye contact.

Taro moves in with his samurai sword.

TARO

This could get bloody and expensive.

BAD BOY

Knee pads make short for war.

Abi goes to the easel and flips through the pages.

ABI

What else? What else?

YU

People! They elect their own  
government.

Marc looks over at Li Li.

MARC

That's not a Chinese policy stimulus.

LI LI

Sorry. No gossip.

MARC

Lactating Chinese women won't reduce  
energy then?

LI LI

Industrial chemicals are not a family  
planning policy.

FIRE LIGHTS go off and there's an ALARM.

ABI

Forced abortion? Ha! I know just the  
stuff!

Abi quickly turns to the easel and flips the drawings to  
where there's a big plate of **chili dogs and fries**, so  
everybody quickly leaves except Hannya and Yu.

HANNYA

That's not mushy rice. Not even  
pressed together with fish in a gluey  
fashion.

YU

He loves chili dogs and french fries.

HANNYA

That looks like chili dogs and fries  
to you?

**EASEL**

Sketch is as a bowl full of turds.

**INT. SHOU GAKKOU OTAKU IRU - KITCHEN - DAY**

Hannya gets in line at where **TOM** is as this middle aged black  
cook and of who is on the other side of a kitchen partition.

TOM

No eyeballs, spastic brains or a  
severed foot here.

HANNYA

Real time simulation in the East China  
Sea when?

TOM

I can do French Fries, beans and a  
chicken leg - that's as close as I can  
get.

Abi sits with his chili fries and gets ready to dig right in.

YU (O.C.)

Abi don't!

Abi looks up to see Yu.

ABI

Do not squid on my pizza now!

YU

The Hannya. She's confused you.

Hannya comes by with a big chicken leg, tons of french fries  
and heap full of beans on her tray.

HANNYA

She has eaten the pig's food.

Abi's about ready to eat some chile fries when Marc and Li Li  
sit on each side.

YU

That'll come with a heavy price!

Abi hesitates.

MARC

Don't worry, it's the pig that costs.

ABI

We'd never feed pigs this way.

LI LI

Democracy - really, in China?

Li Li gets busy with her hamburger.

YU

Over 400 million births prevented.

Marc hesitates a moment and makes a check at where Bad Girl and Bad Girl Friend and Bad Boy and Bad Boy Friend are in a food fight.

MARC

They could be Chinese spies.

Abi gobbles his food.

YU

Born from out of Chinese family  
planning cell?

Bad Girl and Bad Girl Friend and Bad Boy and Bad Boy Friend  
all stand and bow deeply.

BAD BOY

We have been spared as your the left  
overs.

YU

Financial burdens? I can work and be  
independent in Japan too!

MAI

Yu wanted out to fix faulty memory  
chips on Japanese automated toilets.

Taro sits along side.

TARO

Parts time as a reproduction expert?

Bad Girl and Bad Girl Friend are up and doing para para again.

BAD GIRL AND BAD GIRL FRIEND  
(singing)

Bad girl, Bad girl friend. We do it  
again and again. Bad girl Bad girl  
friend. So bad so bad again!

YU

It's where Japanese sex workers laugh  
out loud.

They stop and bow deeply.

YU (CONT'D)

Yes! They used a condom every-time!

BAD GIRL FRIEND

Um, I'm sorry.

YU

You were too busy enjoying life to use  
one?

BAD GIRL

Em, so will they are married?

Marc and Li Li are in a quaint lunch huddle.

MARC

I've disenchanted Japanese youth?

LI LI

Americanization's irresistible to  
them.

Abi looks very sick and is shaking a paleness.

MARC

Japan wants to make it easier to work  
and have a family.

Yu moves over to where Abi is having a hard time.

YU

Why Mai would wear crotchless panties?

ABI

(strained)

So, so Japanese life expectancy is  
lowered.

Li Li is with Marc and attentive.

LI LI

And so far from war-torn Sudan or the  
unruly Pakistan.

Mai holds up her chopsticks to blurt an interjection.

MAI

Abi should try some Japanese  
repentance.

ABI

I love chili dogs and fries.

Hannya passes with an empty tray.

HANNYA

You ate number three from the big bad  
wolf.

YU

No no no - Goo is a Japanese search  
engine.

Taro gets ready, pulls his samurai and moves about.

TARO

Restricted area!

Raidom moves over to Yu.

RAIDOM

Makes me a war criminal with a hard  
on.

YU

I'll call that a cultural tradition.

RAIDOM

I can move from back to front and from  
front to back for you.

Li Li and Marc.

MARC

Barak Obama should apologize for that.

MAI

Introduce Donald Trump, Obama Care and  
Chinese life expectancy?

They're up!

BAD GIRL AND BAD GIRL FRIEND  
(singing)

Bad girl, Bad girl friend. We do it  
again and again. Bad girl Bad girl  
friend. So bad so bad again!

FIRE LIGHTS and ALARM goes off.

**INT. CLASSROOM - DAY**

The easel pages flip to an image at where they're back in the  
classroom. Yu is there first. She bows to the easel.

YU

The hacking is now in session.

Mai appears at a desk and is filing her nails again.

MAI

Watch Abi blame this on voter rage.

YU

Unilateral drilling might be it.

Mai chuckles.

MAI

Better than poking holes in rice  
paper.

Bad Girl and Bad Girl Friend and Bad Boy and Bad Boy Friend  
are now at the back of class engaged in their unruly  
behaviors. Taro comes in with Raidom.

RAIDOM

Global growth and emerging nations.

TARO

The Americans will try to take us  
over.

RAIDOM

Secret weapon's called Obama  
Insurance.

Yu is with Abi who is puking in the bucket.

YU

Dualities of peace and war as an  
excuse for democracy?

Mai hasn't moved from her desk.

MAI

Sit or squat?

Marc shrugs at Li Li.

MARC

You'd find that answer to that in the  
American Constitution.

LI LI

I have a different uncle.

MARC

Of course, we're neighbors.

ABI

Either they sat or squatted?

Taro nears **BAD BOY AND GIRL STUDENTS** with a machine gun.

TARO

They will live longer than 73!

Hannya comes in, demonic ugly as always.

HANNYA

Which for Obama?

YU

Sitting or squatting, surely there'd  
be plenty of warning.

Abi looks up and after puking in the bucket.

ABI

Which one is it if he's on our side?

YU

He'll review those papers.

**END OF ACT TWO**

**ACT THREE**

**EXT. SHOU GAKKOU OTAKU IRU - DAY**

Elementary School.

**INT. CLASSROOM - DAY**

Hannya provocatively swaggers about.

HANNYA

Otaku sub-culture, cos-play and maid  
cafes will get you every time.

YU

Those papers are Obama's point of view  
Abi. Don't trust her.

HANNYA

Trust bringing your own as a Chinese  
resistance strategy?

YU

Drawn for another episode.

Raidom whispers to Taro.

RAIDOM

In real life, that could be a problem.

TARO

Toilet paper in an online cartoon's  
better?

RAIDOM

Not the moral of this story.

Yu confronts the Bad Girl, Bad Girl Friend and Bad Boy and  
Bad Boy Friend students.

YU

You all should understand those  
single-minded sacrifices.

MAI

Gets you video taped in the can by the  
Chinese.

Li Li wonders to Marc.

LI LI

Understand our favorable geopolitical  
positioning?

MARC

Sacrifices now our accessories?

LI LI

Yes, so there you go with our poop  
charms.

MARC

Dutiful.

LI LI

Donald Trump is right, we've been  
planning for the inevitable future.

Abi comes over with the bucket and offers it to Yu.

ABI

I gotta go potty?

YU

That's where United States leads.

ABI

So China does its number two?

Mai's putting on her lipstick and checking her makeup.

MAI

Can you see that as Chinese public  
urinals in Germany?

YU

You'd squat first I bet.

MAI

Either. It's pretty simple to me.

YU

What's so simple?

MAI

My panties.

Marc and Li wait.

MARC

Does this mean I'd need toilet  
slippers when she bets I'm her new  
pony?

LI LI

Wrong address.

MARC

Did you Google that?

LI LI

Not in China.

MARC

Goo then and you'd search "toilet  
guides."

Taro comes in closer to assure Abi.

TARO

You need one with a high-tech control  
panel from Germany.

ABI  
(strained)

Put it near the Forbidden Kingdom.

Hannya comes over to the easel and flips the pages to where a  
picture of Obama is drawn.

HANNYA

See, voila and how he is so charming.

TARO

An enema be Political renewal?

YU

He has been known to smoke!

Raidom comes in to ponder.

RAIDOM

After dinner doing his financial  
reports?

YU

Manufactures in China might think so.

Mai's gets to the easel and flips its pages.

MAI

That, that was popular dish at one  
time?

YU

He is very much appreciated in Japan.

ABI

Yes, as with the goodwill between  
China and Japan.

Marc and Li Li.

MARC

He's great for foreign donations.

LI LI

But Vice President Joe Biden is  
Catholic.

MARC

Toilet noise is no problem.

LI LI

Unless you need an interesting  
conversation.

YU

Speaker for the United States House of  
Representatives has that honor.

Hannya comes over seductively.

HANNYA

So the Dalai Lama spams Bishops in  
Taiwan?

YU

He's seeking reconciliation from Rome.

Bad Girl and Bad Girl Friend are about their para para with  
Bad Boy and Bad Boy Friend busting moves.

BAD GIRL AND BAD GIRL FRIEND  
(singing)

Bad girl, Bad girl friend. We do it  
again and again. Bad girl Bad girl  
friend. So bad so bad again!

YU

They told him it was from a giant,  
star-shaped fungus.

Bad Girl and Bad Girl Friend and Bad Boy and Bad Boy Friend  
stop and bow deeply.

TARO

So afterwards he gets lost in the  
shadow of these superpowers.

YU

Yes! Biden! It's an ultimate  
rejection!

Mai's over at the easel looking at a picture of a **fish**.

MAI

Rome told him they'd go fishing  
together?

YU

Dalai Lama requested cosmic order.

ABI

I can forget that I ate the chile dogs  
and fries?

YU

Rise up, they have squat toilets in  
China too.

ABI

Treacherous not even those journeys  
navigated in the East Sea? Chinese, we  
eat anything!

Marc and Li Li.

MARC

He made a mistake buying made in  
Taiwan in Rome.

LI LI

This was the Vice President Biden's  
made in the USA.

**FADE OUT.**

**END OF EPISODE**
