March 9, 2020, post and unprovoked on the Chinatown Platform in Los Angeles Cali, followed by assailant that I lead into the City of Chinatown LA prior from accost, I flagged down two LAPD. I requested a barrier and that they Id this person. Preceding to go to park nearby, doing Tai Chi there-after, the assailant, this same male Hispanic about 25, stalked, lied in wait, followed me to the Chinatown Metro Platform in LA, and in broad daylight and on camera at apx 4PM, I was strong-armed robbed by this person who took my fully insured iPhone. Just one of many thefts, assaults, exclusions, violation of space and felonious Criminal stalking and harassment that has gone on for decades: isolated and defined in a data pipeline that dates to my father's unpunished rape and the illegal starting of thoroughbreds for decades.

January 7th, post repeated accosts in local area Supermarkets, a regular to disposition me into alcohol consumption and or exclude to indoctrinate drug abuse, addiction and or suicide, I entered a compromised Pasadena Court Room; from the metal detector, Sheriff in the court-room to the Commissioner sitting on the bench, Persons in the court-room, olfactory and of proximal libido stimuli, there was and still is this ongoing,

unprovoked, grievous and brutal attack upon my Life, Liberty and ability to have property or to maintain gainful employment.

Any and all resourcefulness, from physical and psychological well-being to the challenges I experience from their defecation at where I may sleep, particular on a Holiday, I was illegally fined that day: a homeless person - not because of drugs, alcohol, emotional instability nor of an ability to provide better than average competencies, it is because of profound Human and Civil Rights Violations, unprovoked attacks and in direct proportion to violent events executed upon me and of the data pipeline of this ticket:

Child Endangerment

I was sixteen, 1975 at when I went to work for the man in the blue jacket in Arcadia California at Santa Anita Park Race Track, Arcadia Cali a City and loop of Obstruction of Justice with local City PD, grievous of harms of Human and Civil Rights Violation pipeline:

Proximal stimuli, all violent attacks, thefts - accosts, any and all resources denied, all feedback to at when I was working for Ross Fenstermaker, the person in that blue jacket spoke, unprovoked and criminal attacks to this day!

My mother, now named Jancye Langlot of Veradale Wa had signed legal guardian papers to Katherine Nichols. Indoctrinated, a homosexual male gallop boy named Darrel who worked Charlie Wittingham at the time convinced me to go to Southern California! It wasn't go to Stanford, get a college degree, a good job, marry right, have a family and make a contribution to mankind! Being heterosexual, these befriended libido patterns continued and is an agi stalk to this day: gays, lesbians, pedophiles and mixture at my proximal to cause stimuli contrary to faith, love and sex.

My late father of Tukwila Washington, the rapist of Janyce Langlot, my mother, he had illegally started 10 of 100s of horse for decades until his death in 2007.

Placed on Social Security Disability in July of 1989 because I was "unemployable." This is completely untrue, yet job after job, time and time again, this proximity has engaged and indoctrinated unprovoked attacks! Unable to achieve Life, Liberty and Property, it sits next to me in Libraries, stalks me in Public Parks, Public transportation, disruptive to my ability to get and edu, resources such as healthcare, grocery shopping, coffee shops and of physical touching: olfactory, second hand smoke to cause sickness, impediment of my paths, of relentless hostile accost, quips, gestures and objects, property or persons to invade my space to cause emotional unrest, I have been confronted with relentless exclusions, physically abused and violently removed!

The last thoroughbred I trained was a mare called "To Be Positive." I claimed her for Richard J Beeson for twenty thousand dollars, as a thoroughbred race-horse trainer out at Santa Anita Park Race Track in 1985, she was ompromised at its start. Physically restrained and an illegal practice in horse-racing, the sustainability of this mare to go as far and as fast as she could, my instruction for that particular competitive environment, that horse-race to out sprint the field had no avenue of recovery after such impediment. Be reminded of the first job I had at such thoroughbred race-track was in 1975 for Ross Fenstermaker! The man in the blue jacket.

The misinformation, unprovoked grievous attacks, this sabotage was present then! All along, a culture of lies for profit and power, doesn't it beg the question as to why other than to hide the fact that my father was illegally starting thoroughbreds for decades?

Criminal Consensus

I have been in the San Gabriel Valley 45 years, as with the May 14, 2019 torpedo of my Getaround/Uber vehicle by the following woman:

<https://gamifiablecom.files.wordpress.com/2019/10/unnamed-5.jpg>

I can drive anything with wheels or tracks, bet I can fly anything with pops or jets! Whoever rammed my car knew something on May 14, 2019! ...thefts, proximal occupation, patterns and stimuli, my consensus is not comparable to these drug addicts, alcoholics, persons with mental disorders and or the homeless, so being put on disability since July of 1989, and or the firings, exclusions, relentless proximal patterns and metrics, these are a cognizant reference of hereditary family members: my step brother of Brad J. Beck of Greenacres, Spokane Washington, my mother Janyce E. Langlot of Veradale, Spokane Washington and my step-mother Sylvia M. McCready of Tukwila, King County Washington and who was married to this following rapist:

Arthur James McCready, deceased in 2007, illegally started thoroughbreds for decades. With a family that includes Hall of Fame Jockeys, Thoroughbred Owners, Breeders and Trainers, proximal First in Last Out with Global scope, local definition of Santa Anita Park Race Track in Arcadia Cali, a City of a deliberate Hep C orchestration and infection in 91, of grievous Human and Civil Rights harms, a data pipeline and of patterns to cause sickness, emotional unrest and or trigger a catastrophic event to harm self or others, it does not, did not and is not

happening otherwise! I am Edward Charles McCready, a fact that elbows these useless ones; misinformation criminally perpetuated as value.

Summary

This COVID-19 summer of 2020, I have spent most my days in Arcadia Park, Arcadia Cali. Accost and degenerate challenges have been relentless. Yesterday, 08/26/2020, post olfactory stimuli, in the park, passerby, on the bus, drivers shaking of breaks, air conditioning - these things are a constant to trigger a catastrophic event.

There was another theft of all my food, cloths and my Buddhist incense! Quips of "oh" and gestures to mouth, these patterns, physiological implications of being without cloths, this bare back for my observation and or proximal occupant with copious disposition of mobile tech, designating the March 9th theft of my iPhone on Chinatown LA Platform, there is a criminal case of taking my bookbag, its contents from the area and of these maids that are networked: an indoctrination to these thefts from me, a homeless man since 2001 experiencing decades of brutalities!

The eviction from the Glendale YMCA in 2001, then making me homeless is aligned metrics. Still on SSA/SSI disability since July of 1989, I had chronic Hep C genotype 1A and 1B when they evicted me, in the "protective classes" for "I don't need a reason."

"This is a very important lesson. You must never confuse faith that you will prevail in the end-which you can never afford to lose-with the discipline to confront the most brutal facts of your current reality, whatever they may be." -Admiral Stockdale
